FILED

CIRCUIT COURT
BALTIMORE COUNTY

NATURE OF THE CASE

1. Petitioner is invoking exclusive equitable jurisdiction for breach of trust.
2. Petitioner accept Oath of Office for Clerk of Court and Associate Judge, et al which is enclosed.
3. Petitioner Fola Mborika Will I Am El living woman domiciled in Baltimore County was accused of making alleged 2 million as taxable income which resulted from Lexus of Austin, a car dealership using Petitioner's credit that was from a trust.

9. Petitioner was told by IRS representative from 1-800 number that the taxpayer advocate makes the final evaluation and the agency would coordinate with her.
10. However, the Respondent would constantly send documents for Petitioner to fill out by harassing and intimidating the Petitioner. Therefore, Respondent received Notice that a commercial lien would be placed on their public and private capacity from Petitioner.
11. Petitioner as beneficiary appointed Respondent as 'fiduciary trustee' to handle duties of the beneficiary telling Respondent to settle and close the account.
12. Petitioner was given documents to fill out by Respondent, however the Respondent did not like the answers given; therefore, more documents were mailed to Petitioner. Petitioner felt there was no need to fill them out since Respondent did not accept the prior ones.
13. Respondent sent alleged levy paperwork to Wells Fargo and SECU financial institutions. Petitioner sent certified U.S. Tax Court Documents to their legal department. Respondent managed to get one payment from Wells Fargo and none from SECU for year 2018-2019. However, Respondent managed to get 3 payments from State Retirement at SECU in 2017 where Petitioner got one payment back and is attempting to collect the other two from IRS after filling out IRS 843. A refund check of \$3600.00 for tax year 2013 was confiscated to pay for alleged tax amount owed.
14. Respondent filed alleged federal tax lien with Baltimore County Circuit Court in Records Department when Petitioner was told by a clerk that deeds and mortgages are only filed in the Records Department. When Petitioner went to check data base it was not recorded there. However, Petitioner received alleged federal tax lien from Respondent via postal mail stating that the document was filed at Baltimore County Circuit Court.
15. Respondent took the federal tax lien and either turned it into a security himself or had someone with a Series 7 license turn it into a security and placed it on the trading platform in a municipal bond total asset of over 1 billion dollars. The cusip number of that security is 779902105. An SEC and FTC complaint was filed because that is an illegal and unlawful crime that was committed against DBA of FOLA MBORIKI WILL I AM EL and requires jail time.
16. A DBA was placed on the name FOLA MBORIKI WILL I AM EL therefore if anyone uses that name a fee is required. The Petitioner is the name holder of FOLA MBORIKI WILL I AM EL.
17. Numerous letters from Petitioner have been sent to the Respondent explaining their status as a lawful non-taxpayer, paying taxes is voluntary, what is income and who qualifies as a taxpayer

by stating the law and much more. However, all this information has been ignored. Petitioner has no problem paying taxes if they owe taxes.

18. The last letter sent by the Respondent said the Petitioner owed a penalty of \$5,300.00 on an alleged amount that was satisfied back in 2017. Petitioner called the Respondent to find out why the letter was sent. The Respondent wanted to meet with the Petitioner to work things out although the Respondent said it was voluntary. The Petitioner did not meet with Respondent because of prior phone calls. Petitioner was suspect as to why Respondent wanted to meet. Also, the Petitioner faxed a copy of the letter sent by Respondent to the taxpayer advocate Ms. Abdul-Aziz for her records.
19. Petitioner received a letter from Ms. Abdul-Aziz taxpayer advocate on May 7, 2019 wanting Petitioner to fax several documents so she can continue working on her case. After realizing that no matter how much paperwork Petitioner sends it will not be honored with the facts.
20. Petitioner stated a claim of relief that can be granted.
21. Petitioner exhausted all administrative remedies.
22. Respondent is in violation of Constitutional law of direct taxes.
23. Respondent violated civilian due process of law.
24. The Petitioner decided to take legal action against the Respondent, IRS agent in order to receive civilian due process.
25. The following Maxims are appropriate for this petition:
 - 'Equity follows the law.'
 - 'When there is equal equity, the law must prevail.'
 - 'Equity delights in equality.'
 - 'One who seeks equity must do equity.'

PRAYER

WHEREFORE, Petitioner prays judgment as follows:

1. Court enter judgment in Petitioner's favor and against Respondent.
2. For a judgment that Petitioner receives all monies acquired by IRS Agent plus credits and interests for tax years 2013, 2016, 2017 to be returned to

Petitioner.

3. According to fee schedule (which will be provided by request) Petitioner is to receive monies from amount of alleged federal tax lien turned into a security and up to 30% of security turned into a municipal bond goes to Petitioner.
4. Grant punitive damages for harassment, stress and coercion.
